OUR HANDBOOK

Welcome to Sandip University's comprehensive handbook. This book serves as a guide and resource material for students, faculty, and staff members. Readers can find relevant and detailed information regarding Sandip University's student policies, commitment to innovation, research facilities, outreach programs, student development programs, and athletic opportunities. This is a comprehensive guide to understanding our core values, vibrant educational opportunities, and assessing educational experience offered at Sandip University. Whether you are a student, faculty, staff member, or stakeholder, you are welcome to take a deep dive into the amazing journey of professional growth, partnership, and dynamic educational experience at Sandip University!

ABOUT
SANDIP UNIVERSITY

Sandip University, Nashik was established in 2016 under the UGC Act 1956, and under the Government of Maharashtra Act No. XXXVIII. Sandip University currently holds the 9th rank amongst “Top Emerging B-Schools” in India. We are the first ever self-financed university in North Maharashtra. Our vision is to impart industry-oriented education to leaders of tomorrow. Sandip University is set in a sprawling Wi-Fi enabled lush green campus spread across 250+ acres, making it an ideal hub of higher education.

TECHNICAL TOUCH

01

Sandip University invests in providing students with tech-oriented and skill-upgrading opportunities through industry-linked activities like workshops, industry visits, hackathons, seminars, guest lectures, global immersion programs, and much more. A tech-based education is the cornerstone of a student’s educational experience with us.

INNOVATION AND INCUBATION

02

Students are encouraged to think innovatively and beyond the usual. Furthermore, students are enabled to think like entrepreneurs through a dedicated incubation cell that nurtures entrepreneurial tendencies in students. Faculty members mentor and train students to reach for excellence in their domain.

LIBERAL ARTS

03

A well-balanced education includes promotion of liberal arts where students can hone their creativity and individual personality. We empower students to opt for opportunities in liberal arts to expand their horizons and explore various possibilities. Students are provided with the necessary tools to nurture their love for liberal arts.

RESEARCH AND DEVELOPMENT

04

Sandip University’s 250+ acre campus provides a conducive environment for research-oriented learning and training. Various Centres of Excellence have been created on-campus in collaboration with top industry partners to promote groundbreaking research among students. We have attracted exceptional government research grants to help students conduct national-level research.

COMMUNITY OUTREACH

05

Giving back to the community is something we instil in our students to make them better citizens and future leaders. Sandip University organises various community outreach and upliftment programs where students interact with different parts of society to better their lives. Our students are instilled with values that can facilitate sustainable and futuristic development for all.

SPORTS

06

Sandip University’s campus is home to multiple sports grounds where students are encouraged to hone their athletic prowess. Highly capable trainers and mentors are available on-campus to help students participate in various local, state-level, and national-level competitions. Both indoor and outdoor sports are a part of college life at Sandip University.

STUDENT COUNCIL

Sandip University's student council is committed to setting the foundation for overall student development and growth. The student council actively ensures an enhanced student experience that is in tune with the University's vision and mission. This is a council for the students, by the students. These are some of the benefits availed by students involved in the Student Council at Sandip University:

- Student council members develop various relevant soft skills including good communication, confidence, decision-making, problem-solving, and leadership skills.
- Students gain relevant experience in organising programs, working with a team, collaborating with mentors to facilitate student development through events.
- Students experience real-world situations which teach them about facing real-world challenges and finding relevant solutions to such problems.

INSTITUTIONAL DEVELOPMENT

- Students are completely responsible for developing, operating, and maintaining student clubs in various domains like technology, arts, culture, innovation, and social welfare.
- Students are tasked with brainstorming and organising activities relevant to the core goals of the clubs that can directly lead to student development.
- Students undertake the responsibility of planning and executing such events that teaches them responsibility, leadership, and ethical behaviour in diverse situations.

INAUGURATION OF SUN CLUBS AT SANDIP UNIVERSITY, NASHIK

The inauguration ceremony of the various clubs in Sandip University, Nashik, took place on 12th November, 2017. It began at 11:30 am and lasted for an hour. Hon. President of SUN, Shri Nityanandji Jha (Babuji), Hon. Chairman Dr. Sandip N. Jha, Hon. Shri Alok N. Jha, Hon. Mentor Prof. P.I Patil, Hon. Vice Chancellor Col. Prof. N Ramachandran and esteemed members of the governing body, SUN - Dr. K.N Balasubramanya Murthy, Mr. Prashant Pund, Er. Ashok M. Katariya, Mr. Narendra Goliya presided over the event for the inauguration process.

These esteemed guests were welcomed by the Cycling club, followed by Lightning of the lamp and Saraswati Pooja. The guests proceeded further after the Shankhnaad and melodious Krishna bhajan performed by the music club. They were escorted by members of SUN' Talks Club. They later inaugurated Photography Club, followed by Painting club, and Art and Crafts club.

The guests signed various artworks made by students in the Art and Crafts club. Later they inaugurated the SUNs Talks club where they joined in the fruitful group discussion along with the students. They visited other clubs like CDM, Cyber security, Trekking, Literary, Helping Hands, Sports, Robotics and Team SUN racing. Further they inaugurated the Cyclists club followed by the Mathematics Club.

Last but not the least they enjoyed the performance of Yoga and Fitness Club. Their journey ended with the power packed performance of the Dance Club. Photographs were clicked, memories were captured, and the day was etched in everyone's heart.

The event was coordinated by Prof. Arif Mansuri-Director of Student's Welfare and Prof. Mrs. Neetu Sharma-Asst. Director of Student's Welfare. Coordinators Prof. G.E. Chavan and Dr. Ruchi Lakra along with Faculty and student coordinators took efforts to make the event successful. Hon. Dr. Sandip N. Jha, Hon. Shri Alok N. Jha, Hon. Mentor Prof. P.I Patil, Hon. Vice Chancellor Col. N Ramachandran, Dr. D.D. Deshmukh, Dr. Chetan Choudhary and Deans of various schools congratulated everyone and appreciated their efforts.

SUN CLUBS

AN ENTERPRISE
FOR THE STUDENTS, BY THE STUDENTS

Students at Sandip University gain a massive boost from participating in SUN Clubs which are designed keeping in mind the varied interests of students. The clubs vary from being technical in nature, while also addressing social issues and ensuring that students have a voice in their overall development.

SUN CLUBS AIM AT

- Helping students identify their areas of interests
- Developing each student's overall personality
- Creating awareness towards complex global issues
- Encouraging students to expand their range of capabilities

TECH *CLUBS*

Sandip University is home to various clubs related to technology and tech development. Industry mentors train students to realise their complete potential and nurture their interest in all things tech. Students have the opportunity to explore their talent beyond classrooms and academia by expanding their horizons through real-world exposure. We put in the effort to impress upon our students the importance of striking a balance between technological advancements and environmental sustainability. This revolutionary approach helps students foster a healthy respect for environmental safeguards while striving for technological advancements.

INNOVENTOR CLUB

"I have been impressed with the urgency of doing. Knowing is not enough; we must apply. Being willing is not enough; we must do." -Leonardo da Vinci

The Innoventor Club has been established under SUN Clubs to help foster the spirit of innovation and invention in students. While invention is the mother of necessity, innovation is the need of the hour to create more people-friendly products and tech for further human advancement. The Innoventor Club is home to some of the brightest minds at Sandip University who think beyond the box, break glass ceilings, and are set to revamp the way innovation takes place globally. Our extensive network of industry partnerships boosts such innovative and inventive tendencies in students through industry mentorship programs.

COLLECTIVE TRANSFORMATION

"Yes, your transformation will be hard. Yes, you will feel frightened, messed up and knocked down. Yes, you will want to stop. Yes, it is the best work you will ever do." -Robin Sharma

Collective Transformation is a progressive thought process that is designed to help students realise their talents and forge a unique path for themselves based on skills. This process helps students build and develop skills and knowledge beyond the curriculum. Hence, they are better-equipped to face real-world situations and transition towards the corporate setting upon graduation. Our goal is to help students gain industry-led experiences like expert talks, industry visits, compulsory internships, and constant interaction with industry mentors for better student development.

MACHINE LEARNING, AI, AND ROBOTICS CLUB

It has become appallingly obvious that our technology has exceeded our humanity. - **Albert Einstein**

Machine Learning, AI, and Robotics Club is a one-of-a-kind tech club which attracts the best and the brightest from Sandip University. This club is a safe haven for tech geniuses which live and breathe technology, and are determined to spend a lifetime dedicated to this arena. Various national and international inter-college competitions, hackathons, robot-races, and AI-led projects are initiated by the Machine Learning, AI, and Robotics Club. Our students make the most of these uniquely innovative opportunities to drive their interest in these spheres of the tech industry.

SCIENCE CLUB

"If I have seen further it is by standing on the shoulders of Giants." – Issac Newton

The Science Club is a dynamic blend of all things science at Sandip University. Students pursuing various branches of science are welcome to join this club to further nurture their interests and aptitude in science. The club creates a nurturing and interesting environment where scientific temperaments are nurtured and encouraged. Students are driven to ask exceptional questions, engage in path-breaking research activities, and explore various topics as per their interests. Sandip University's Science Club is committed towards providing the world with top scientific minds, year after year.

MATHEMATICS CLUB

"Without mathematics, there's nothing you can do. Everything around you is mathematics. Everything around you is numbers." - Shakuntala Devi

The Mathematics Club at Sandip University is home to some of the most brilliant mathematicians. Our students from the Department of Mathematics head this club and they receive ample support from faculty members, if and when students require. The club holds various co-curricular and extracurricular activities related to mathematics to keep their minds sharp and engage in discussions pertaining to different branches of mathematics. Students receive ample opportunities through industry partnerships at the national and international levels.

ENERGY CLUB

"Earth provides enough to satisfy every man's needs, but not every man's greed."
-Mahatma Gandhi

Safe and renewable energy is at the forefront of our development today, and Sandip University is committed towards pushing our students to take the lead on energy transformation. The Energy Club at Sandip University helps students gain a thorough understanding of the different kinds of energy resources available and their fair usage. Many community outreach programs are designed to help students gain real-world experiences in this field which can translate into internships, industry exposure, and even placements at a later stage.

AEROMODELLING CLUB

"I have been impressed with the urgency of doing. Knowing is not enough; we must apply. Being willing is not enough; we must do." -Leonardo da Vinci

The Innoventor Club has been established under SUN Clubs to help foster the spirit of innovation and invention in students. While invention is the mother of necessity, innovation is the need of the hour to create more people-friendly products and tech for further human advancement. The Innoventor Club is home to some of the brightest minds at Sandip University who think beyond the box, break glass ceilings, and are set to revamp the way innovation takes place globally. Our extensive network of industry partnerships boosts such innovative and inventive tendencies in students through industry mentorship programs.

ASTRONOMY CLUB

"Yes, your transformation will be hard. Yes, you will feel frightened, messed up and knocked down. Yes, you will want to stop. Yes, it is the best work you will ever do." -Robin Sharma

Collective Transformation is a progressive thought process that is designed to help students realise their talents and forge a unique path for themselves based on skills. This process helps students build and develop skills and knowledge beyond the curriculum. Hence, they are better-equipped to face real-world situations and transition towards the corporate setting upon graduation. LIBERAL ARTS *CLUBS*

The Liberal Arts Clubs at Sandip University drive unity, inclusion, diversity, and celebration of global cultures. Students have the opportunity to explore and experience diverse cultures from around the world and showcase Indian culture proudly as well. There are various Liberal Arts Clubs at Sandip University that are dedicated to promoting creativity, unique identity, and rejuvenation among students. Various activities are organised through these clubs to help students appreciate and participate in collaborative projects to promote teamwork and creative expression. The Liberal Arts Clubs at Sandip University provide a unique platform for students to broaden their intellectual and cultural horizons.

CREATIVITY CLUB

"The worst enemy to creativity is self-doubt." —Sylvia Plath

The Creativity Club at Sandip University is dedicated to enhancing each member's creative genius. This club helps students identify and define their independent voices. Students are provided with a thriving platform to showcase their innate talents, compete with their peers, and build on their personality. The goal of the Creativity Club is to unleash and nurture talent while developing each student's soft skills in the long run. Members of this club pursue diverse programs at Sandip University like engineering, law, design, pharmaceutical science, and many more.

ART AND CRAFT CLUB

"Art washes away from the soul the dust of everyday life." – Pablo Picasso

The Art and Craft Club is another important Liberal Arts club which provides students with a platform to showcase their artistic talent and craftsmanship. Members of this club participate in various competitions and social welfare programs where they conduct arts and crafts workshops and competitions. Often, the items created during these workshops and competitions are donated to various organisations, reaching the needy. The Art and Craft Club is an essential SUN Club which helps students channel their creativity and develop their creative thinking process.

CULINARY CLUB

"Food is our common ground, a universal experience." - James Beard

The Culinary Club at Sandip University is a testimony to India's wide-ranging cuisines stemming from diverse cultures. Since Sandip University is a hub of students from different cultures and states of India and around the world, the Culinary Club is a melting pot of global flavours and dishes. Students bring with them unique tastes and develop a pallet for global cuisines through this club. The goal is to create a safe space where students can explore and build on their culinary skills while learning essential soft skills that can serve them well in real-world situations.

MUSIC CLUB

"Music is the tool to express life, and all that makes a difference." — Herbie Hancock

Sandip University's Music Club is an inclusive space for students with different tastes in music. This platform helps students showcase and build on their musical skills and talents. Jam sessions, concerts, competitions, rap battles, rock concerts, and live performances are a part and parcel of activities organised by the Music Club. Students get to develop a unique and globally-varied taste in music as they rub shoulders with others who have a passion for music. This club is a safe haven for musical talents who want to explore a possible future in music as well.

DRAMA CLUB

"I think the theatre is as essential to civilization as safe, pure water." -Vanessa Redgrave

Theatre and drama form the core of the Drama Club at Sandip University. Students are encouraged to showcase and develop their talent for acting, singing, and theatrics through this club. Various kinds of acting workshops, training sessions, competitions, plays, and performances are organised by this club to help students find a creative outlet through the art of drama. This is a safe space where students can display their unique expressions, find their voice, and develop their personality. Members of the Drama Club engage in showcasing relevant theatrical techniques, working in literary fundamentals, and dramatic artistic expressions.

MOVIE CLUB

"I love editing. It is one of my favourite parts about filmmaking." -Steven Spielberg

The Movie Club at Sandip University is for movie buffs who live and breathe films. This platform helps students showcase and build on their passion for movies and filmmaking. Students learn about scriptwriting, film editing, audio editing, pitch modulation, and much more through the Movie Club. The members of the club dedicatedly organise movie screenings, short filmmaking competitions, movie-themed events, and many such programs. Members are able to build on their technical and soft skills as members of the Movie Club at Sandip University.

PAINTING CLUB

"I dream my painting and I paint my dream." – Vincent Willem van Gogh

The Painting Club at Sandip University is dedicated to encouraging students who want to explore painting. Members are welcome to showcase their talent and also build on a budding passion for painting through this club. Painting competitions, workshops, and events are regularly conducted to help students step out of the world of academia and work on their passion for painting. Hands-on sessions focusing on painting techniques, colour schemes, use of light, and artistic aesthetics are conducted to help students evolve into skilled painters and artists.

DANCE CLUB

"It takes an athlete to dance, but an artist to be a dancer." – Shanna LeFleur

Sandip University's Dance Club is a creative outlet for students who want to groove to beats and explore various dance forms. Students are encouraged to explore their interests in classical and contemporary dance forms. Workshops, costume designing, rehearsals, choreography sessions, and many such programs are held to encourage students interested in dancing. A supportive and conducive environment is fostered where students feel comfortable and confident to explore their dance skills. Sandip University's Dance Club is built on a deep appreciation for all dance forms.

LITERARY CLUB

"Literature is one of the most interesting and significant expressions of humanity." -P. T. Barnum

The Literary Club is a melting pot of different voices interested in literature and written prose. Poets, writers, storytellers, and dreamers make up the core membership of this club. Book clubs, poetry reading sessions, creative writing workshops, and various competitions are organised by members of the club to express their love for literature. Members are encouraged to explore literature from different parts of India and the world to gain access to different voices and experiences amassed over the ages. Sandip University's Literary Club is a unique space careering to the art of expressing, cultivating, and preserving literary talent.

PHOTOGRAPHY CLUB

"When I have a camera in my hand, I know no fear." – Alfred Eisenstaedt

The Photography Club at Sandip University is dedicated to help students explore their passion for photography. Photo walks, photography workshops, lighting technique sessions, visual storytelling webinars etc. form an integral part of the Photography Club. Photography exhibitions, competitions, and expert talks are organised to help students hone their skills and compete with bright minds interested in photography. Self-expression and appreciation of the art of photography are the core principles on which the Photography Club has been founded. Students are encouraged to explore their artistic vision and cultivate a unique love for photography that lasts a lifetime.

HELPING HANDS CLUB

"Happiness doesn't result from what we get, but from what we give." -Ben Carson

Sandip University's Helping Hands Club is committed towards making a positive impact on society. Through this club, students organise various charities, workshops for the underprivileged, volunteering sessions, awareness campaigns, and many such events to empower the lives of surrounding communities. These initiatives go a long way in helping students develop compassion, empathy, and enhanced emotional intelligence that serves them well in their career and future.

WOMEN EMPOWERMENT CLUB

"A woman with a voice is, by definition, a strong woman." -Melinda Gates

Sandip University takes women empowerment very seriously and so has established the Women Empowerment Club to help students showcase their unique voices. This club is dedicated to helping female students on-campus create a safe space where women's issues can be discussed and worked on. Members of this club organise various seminars, webinars, awareness campaigns, volunteering sessions etc. to help empower women from all walks of life.

YOUTH EMPOWERMENT CLUB

"The duty of youth is to challenge corruption." -Kurt Cobain

The Youth Empowerment Club is another wonderful addition to Sandip University's student-centric clubs. This is a great space for students with different voices and opinions to come together and hash out different ideas. The goal of this club is to empower the youth to develop their unique personality and break free from any limitations to realise their full potential. The Youth Empowerment Club organises various events to help the youth at Sandip University find various avenues of interest.

EVENTS CLUB

"I would rather die of passion than of boredom." -Vincent Van Gogh

The Events Club at Sandip University is dedicated to organising various student fests, college fests, competitions, events, rock concerts, and various such co-curricular, extracurricular, and recreational events on-campus. Members of this club have a deep connection with fellow students and know the pulse of the students to understand what kind of events they wish to be a part of. This club also actively organises cultural programs to celebrate India's varied diversity.

MEDIA CLUB

"The most important service rendered by the press is that of educating people to approach printed matter with distrust." -Samuel Butler

The Media Club is dedicated to students who have an affinity towards learning more about how media functions and impacts our society. The members of the Media Club at Sandip University are inclined towards a career in media such as reporting, content writing, video editing, animation, and content creation. Members organise various activities where students can hone their skills in these aspects of media and can actually consider a career in media upon graduation.

YOGA & MEDITATION CLUB

"Yoga is the journey of the self, through the self, to the self." -The Bhagavad Gita

The Yoga and Meditation Club at Sandip University actively ensures the overall wellbeing of students through the ancient practice of yoga and meditation. Various sessions are organised where students detach from academia and other pursuits to completely focus on their mind and body through yoga and meditation practices. The International Yoga Day is celebrated annually by this club through various events and campaigns to help promote the practice of yoga and meditation daily.
